HELSE norge

Health centre for children aged 0-6 years

Easy contact at Helsenorge

HELSE norge — your health online

Everything in one place

At Helsenorge, you will find useful information and services for following up your own and your children's health.

When you log in to Helsenorge, you can choose to represent children you have parental responsibility for and view their health information. You can also see an overview of appointments at the health centre and what each appointment will be about.

You can cancel an appointment if the time is inconvenient for you.

Services on behalf of children

Log in using the Helsenorge app or at helsenorge.no and get access to services you can use.

These services will depend on whether your health centre uses Helsenorge.
