

# Forskrivningsmodulen (e-resept) 3.7.0 RC6 (#13748)

Release Notes

30.9.2016

## No component defined

---

Fixed GUID parsing error when opening samstemming.

[ RENO-11865 ]

Fixed error when linking from AF and enabled AF remove button after receiving a delivery for a paper prescription.

[ RENO-11864 ]

Allow doctors to open the Vivit samstemming when AF is empty. AF pane is now visible even when AF grid is empty.

[ RENO-11867 ]
