

# Forskrivningsmodulen (e-resept) 4.2.1 RC3 (#17080)

Release Notes

22.10.2018

## Customer Defect

---

Bugfix: Prescriptions that are not in vib, should no longer be included in "les varer i bruk" reply when calling it with a specific date.

[ RENO-15024 (Bug 187542), Resolved, Bug 187542: LesVarerIBrukSvar returns too many prescriptions when Date is specified in the query ]
