

Forskrivningsmodulen (e-resept) 4.9.0 RC2 (#18438)

Release Notes

3.9.2020

Customer Defect

When updating personal identification numbers via EPJ the numbers should now get updated immediately and not require closing and opening the client again.

[RENO-16221, Resolved, RE: Mulig FM Bug - DNR blir ikke oppdatert ved endring DNR -> f-dato -> DNR]
